Ken S. asked for clarification on the number of member communities. 180 were reported at the previous meeting but on this meetings agenda 175 members was given. Don would notify Shirley at NLOM to let her know that we will be receiving a check from AWWA.

Dennis then gave the web-site report.

The number of member communities was then reconfirmed at 176.

NEWARN board member nominations were next discussed. Dennis sent out notices for nominees and only one was received, Tom Menke from Chadron. Rick then asked the board if they knew of any other potential candidates. Rick then asked for a motion to accept these as nominees contingent to them accepting the position. Don C. made that motion and Doug P. 2nd the motion. Motion carried.

Before the election was held Rick gave the board notice that due to a career change he would no longer be eligible to serve on the NEWARN Board of Directors. Rick then asked the Board's thoughts on using the LNM, NSAWWA and Rural Water's newsletters instead of publishing one of our own. Don suggested we take advantage of this resource to save our funds since it is quite costly to publish and mail our own newsletter. The rest of the Board agreed to this suggestion. Dennis thought that we should try and get articles for them to publish at least twice a year like in the 1st and 3rd quarter.

In other miscellaneous discussion Rick asked if it would be alright for him to ask the new person that is taking his position at Aurora to finish out his term on the NEWARN Board. The Board said that would be okay if the new person is agreeable to this. Members of the Board then thanked Rick for all of his hard work and dedication helping to make NEWARN happen and wished him luck in the future.
