

Nebraska Warn minutes

Meeting was held on Monday, March 21, 2016 at 5:00 pm at Kearney, Ne.

Present was Jim Green, Daryl Eggle, Ken Swanson, Dennis Watts, Rich Koenig and Rob Pierce. Did not have enough members for a quorum so there is no action taken on anything.

Topics talked about are listed below.

We will look at doing some training sessions at the elected officials' conference on February 20. We will also look at trying to go to a clerks meeting which is held in June or July, there is also another meeting called the Community & Finance Operations, we might look at doing that and maybe could title it Help Wanted: Financing Your Operator. We will also look at doing some AWWA and MAP training sessions, we will get in touch with Rob Pierce and also try to find out who our MAP representative and contact them.

We will try to put articles in the Rural Water, AWWA and Water Spout and do a short article about WARN for these publications.

We will continue to do blanket emails on a monthly or bimonthly basis.

The board members will visit with Andy Kahl and ask about putting the question on the sanitary survey if they are a member of Nebraska WARN.

We will talk about the sponsors at the next meeting which will be held in Aurora on June 28, 2016 at 10:00 a.m.

End of meeting.
